BHCCU's Impact on Downtown Janesville

Did you know that Blackhawk Community Credit Union (BHCCU) has been a proud supporter of Downtown Janesville's revitalization for over five years? As part of our commitment to the community, BHCCU is a longtime sponsor of Festival Street, with our name proudly displayed on the signs welcoming visitors on either side of the road and making it a central hub for community events, dining, and fun.

BHCCU Festival Street is a vibrant space where you can enjoy lunch, listen to live music, or let the kids cool off at the splash pad. The area also showcases public art and provides a flexible setting for events throughout the year.

Our ongoing support of this space highlights our belief that a lively downtown is the heart of a thriving city, offering opportunities for growth and connection.
